COLLEGE MATCH SCALE

This match tool is used to help understand and evaluate the accommodations and programs that will be needed at the college level. For each Target Area, identify the level of support from Standard to Comprehensive, and then consider college programs that meet the specific criteria you've identified. When reviewing or visiting colleges, compare their resources to the items you've identified in this list.

Do they meet the criteria for your success?

Target Area	Level 1 <i>Standard</i>	Level 2 <i>Supplementary</i>	Level 3 <i>Moderate</i>	Level 4 <i>Comprehensive</i>
