Adding Colleges to your Application List

 [Click here to watch a video tutorial](#) to add colleges to your Naviance “Colleges I’m Applying to” list

Make sure you indicate how you are applying to the particular college.

- Some colleges accept applications through Common App or another method. You will need to update how you are applying in Naviance Student so the counseling office knows how to send the materials.
- If you are NOT applying to the college via Common App, select the “directly to the institution” option.

The screenshot shows a web interface for updating applications. At the top, there is a 'Cancel' link and an 'UPDATE APPLICATIONS' button. Below this is a section titled 'STEP 2 Tell us how you're submitting these applications'. A note states: 'This tells your counselor how to submit your transcripts and other materials to institutions.' Under the heading 'Colleges', there is a blue box with a note: 'Note: If you're applying to an institution via any method not listed here, choose "directly to the institution".' Below this, the college 'Bradley University' is listed. Under the heading 'I'll submit my application:', there are two radio button options: 'Via Common App' and 'Direct to the institution'.

Etiquette

- ☐ Keep your college process to yourself.
- ☐ Don't make negative comments about others' lists/college choices.
- ☐ Don't apply to schools you haven't researched.
- ☐ Thank your teachers and counselors for writing recommendation letters.

Private College Counselors

- Private college counselors can be a helpful resource to assist with college research and organization.
- Colleges do NOT accept letters of recommendation, transcripts, or other application materials from private college counselors.
- College admission offices will contact Oak Park High School counselors, not private college counselors, with any questions about your application or candidacy.
- It is imperative that you work productively with the OPHS Counseling Office throughout the application process.
- Many students successfully navigate the college process without a private counselor.

College Acceptances – Be Aware

- + Every acceptance you receive is PROVISIONAL. This means the college has the right to rescind your admission offer.
- + If your GPA drops significantly, if you earn a D, if you have a disciplinary infraction, or if you drop a planned class second semester, *you could lose your offer of admission.*
