*Oak Park High School does not require (LOTE) Language Other Than English as a graduation requirement; as a result we post our own LOTE courses as General Elective credit as well. It should be noted that while Oak Park High School may grant high school elective credit for this course, OPHS cannot certify the "college preparatory" status of this course unless the school has an approved "a-g" course list on file with the UC Office of the President. SAT Language Subject scores can validate that a non-CP course is recognized as fulfillment of the LOTE requirement. We advise taking the SAT subject test in your LOTE.
